

Dr. Jillian M. Petersen

University of Vienna
Department of Microbiology and Ecosystem Science
Division of Microbial Ecology
Research Network Chemistry meets Microbiology
Althanstrasse 14, 1090, Vienna, Austria
Email: petersen@microbial-ecology.net
Web: <http://www.microbial-ecology.net/people/jillian-petersen>

Career

2015 – current Assistant Professor, Division of Microbial Ecology, University of Vienna
2013 - 2015 Senior scientist, Symbiosis Department, Max Planck Institute for Marine Microbiology
2013 Maternity leave
2009 – 2013 Postdoctoral researcher, Symbiosis Group, Max Planck Institute for Marine Microbiology
2010 – 2011 Maternity leave
2003 – 2004 Undergraduate scientist, Advanced Wastewater Management Center, University of Queensland, Australia

Education

2009 Dr. rer. nat. (magna cum laude), University of Bremen and Max Planck Institute for Marine Microbiology, Bremen, Germany
Thesis title: "Diversity and Ecology of Chemosynthetic Symbioses in Deep-Sea Invertebrates"
2006 Master of Science in Marine Microbiology, International Max Planck Research School of Marine Microbiology, Bremen, Germany
Grade A (excellent)
2004 Bachelor of Science in microbiology, University of Queensland, Brisbane, Australia
Grade point average 6.22 out of a possible 7.0 (6.0 = distinction)

Awards and Fellowships

2015 Fellowship of the Robert Bosch Foundation's 'Fast Track' program for women in science
2013 ASLO Raymond L. Lindeman Award for an outstanding paper written by a young aquatic scientist
2011 Wolf Vishniac Award for Young Investigators from the International Society for Environmental Biogeochemistry
2007 Interridge Outstanding Student Paper Award, Interridge Theoretical Institute: Biogeochemical Interaction at Deep-Sea Vents, Woods Hole Oceanographic Institution, USA
2007 Poster Prize, Gordon Research Conference Applied and Environmental Microbiology, Mount Holyoke, USA

Research grants

2016 Individual postdoc funding for Nathalie Elisabeth from the Region Guadeloupe (€ 54,000)
2015 Bosch Foundation Fellowship (€ 15,000)
2014 Vienna Science and Technology Fund (WWTF) 'Vienna Research Group' funding for an independent position at the University of Vienna (€ 1.6 Million)
2012 Individual doctoral thesis funding for Lizbeth Sayavedra from the German Academic Exchange Service (DAAD) (€ 48,000)

Selected presentations

- (upcoming) Society for Aquatic Microbial Ecology (SAME) – **Keynote speaker**
(upcoming) Annual Conference of the German Association for General and Applied Microbiology, Würzburg, Germany – **Invited speaker**
(upcoming) Annual Meeting of the Society for Integrative and Comparative Biology (SICB), New Orleans – **Invited speaker**
2016 ISME Meeting, Montreal, Canada – **Session coordinator and speaker**
2016 ASM Microbe, Boston, USA – **Invited speaker**
2016 Invited seminar at the Department of Microbiology, Radboud University, Nijmegen, The Netherlands
2015 EMBO Workshop on Microbial Sulfur Metabolism, Helsingor, Denmark – **Invited speaker**
2015 International Symbiosis Society Meeting, Lisbon, Portugal – **Invited speaker**
2014 Vienna Biocenter PhD Symposium, Austria – **Invited speaker**
2014 Lyell Meeting of the Geological Society of London, England – **Invited speaker**
2013 Aquatic Sciences Meeting of the Association for the Sciences of Limnology and Oceanography, New Orleans, USA – **Acceptance speech for the Lindeman award during plenary session**
2012 Canadian Institute for Advanced Research, Integrated Microbial Diversity program annual meeting, Quebec City, Canada – **Invited speaker**
2011 20th International Society for Environmental Biogeochemistry Meeting, Istanbul, Turkey – **Invited speaker**
2009 American Society for Microbiology (ASM) General Meeting, Philadelphia, USA – **Invited speaker**
2008 European Geosciences Union (EGU) General Assembly, Vienna, Austria – **Oral presentation**
2007 Annual Conference of the German Association for General and Applied Microbiology, Osnabrück, Germany – **Oral presentation**

Supervision

I currently supervise three postdocs, one PhD student, and two masters students
Past: Supervisor of three PhD thesis, four Masters theses, co-supervisor of two Bachelors theses, planning and supervision of six short internships

Teaching and outreach

- 2015 – current: teaching in seminars, lectures, practical courses, University of Vienna
- January 2012 – August 2015, member of the faculty of the International Max Planck Research School for Marine Microbiology (MarMic)
 - 2013 and 2014, Lecturer for the Module ‘Symbiosis’ in the MarMic school
- Featured on the German TV show ‘Buten un Binnen’ (August 2011)
- Invited lectures for courses on marine microbiology, hydrothermal vent biology
- Invited lecture on deep-sea research for members of the Bremen Chamber of Commerce (Bremen, 2012)
- Invited lecture for science delegates of the European Union (Bremen, 2007)

Professional services

- Organizer, Workshop in Microbial Sulfur Metabolism (WMSM), Vienna 2018
- Co-organizer of Satellite Meeting “Chemotrophic symbiosis in the genomic era” for the 8th International Symbiosis Society Meeting, Summer 2015
- Editor, mSystems, an American Society for Microbiology Journal

- Peer-review for Science, Current Biology, The ISME Journal, Molecular Ecology, Environmental Microbiology, PLoS One, Current Microbiology, Genome Biology and Evolution, The Biological Bulletin, Symbiosis, Biogeosciences Discussions, Schmidt Ocean Institute
- Proposal reviews for the Schmidt Ocean Institute, French National Research Council (ANR), National Science Foundation (NSF), German Research Foundation (DFG)
- Review panel member, Schmidt Ocean Institute
- Member of the judging committee for the MARUM Research Award for Marine Sciences
- Member of the MPI Bremen Employees Council from 2006 – 2010

Peer-reviewed publications

Author on 17 papers in peer-reviewed journals (including 1 first-author paper in Nature, 1 first-author paper in Nature Microbiology, 1 last- and corresponding authorship in eLife). Published papers have received 361 citations; H-index 10 (Google Scholar).
